

Food With Love

June 2, 2023

Team

- Anamitra Joshi
- Atchaya M
- Diya Anem
- Sasi Snigdha Yadavalli

Project Idea

Food With Love is an app that provides a platform for customers to connect with homemade food chefs around them for scrumptious meals.

Features

- Editable menu
- Review System
- Pre order booking
- Dietary Filters

Objective

- Connect homemade chefs and customers
- Empower homemade food chefs
- Enhance convenience and accessibility
- Expand culinary entrepreneurship
- Promote sustainable and local food practices

- Flutter
- SQL
- HTML, CSS, JavaScript
- Google Maps API
- Google Analytics
- OneSignal (Push Notification Service)
